

## Program Information

Program Name:	<b>Pocket Gopher Acreage Removal Program</b>
Program Information:	<p>We meet you on site for the first service to show you the equipment and how everything works.</p> <p>After this we return automatically once every 3-5 days until we have success.</p> <p>We will use a combination of tools including the Burrow RX and live traps to control and eliminate the pocket gopher issue.</p> <p>Depending on the number of mounds present and the level of activity it can take between 4-8 visits to resolve a pocket gopher issue.</p>
Program Cost:	\$ 175.00 + GST per service.
Additional Costs:	Ask our office about a seasonal pocket gopher program.
Program Terms:	Service is provided automatically once every 3-5 days until we have success.
Additional Service:	If you are interested in a pro-active pocket gopher program we have a seasonal pocket gopher program which consists of a weekly service from May-October.
Health & Safety:	The service technician on site will explain any site specific health & safety concerns at the time of the service.
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
