

## Program Information

Program Name:	<b>Ant (non wood boring) Program</b>
Program Information:	<p>We will perform a liquid chemical application on the exterior of your residence. This will eliminate the foraging ants from potentially entering and exiting the structure.</p> <p>If required, we place commercial ant stations on the interior of the building as required.</p> <p>We will also inspect and treat garden beds and lawn areas looking for as many ant hills that we can find. The more ants hills we find and eliminate, the greater the long term success we can provide for you.</p>
Program Cost:	\$ 430.00 + GST.
Additional Costs:	N/A
Program Term:	Two (2) services approximately forty five (45) days apart.
Health & Safety:	<p>If a liquid application is required on the interior of the structure, there is a minimum re-entry time of six (6) hours after the service is complete.</p> <p>On the exterior of the property once the chemical is dry the area is safe to walk on.</p> <p>The service technician on site will explain any site specific health &amp; safety concerns at the time of the service.</p>
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interact-e-transfers at time of payment.</p>
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
