

## Program Information

Program Name:	<b>Occasional Invaders (Beetles, Sow Bugs, Root Weevils) Program</b>
Program Information:	What we do is perform a chemical application on the exterior of your residence. Our focus is on treating the exterior perimeter of your residence. This includes treating garden beds, under decks, porches, sheds, and garages if they are present.
Program Cost:	\$ 395.00 + GST.  *Structures >2500 sq ft may be subject to additional fees. Please check with your service technician prior to your service.
Additional Costs:	Additional applications can be done for \$ 230.00 + GST.
Program Term:	Two (2) services approximately forty-five (45) days apart.
Health & Safety:	If a liquid application is required on the interior of the structure, there is a minimum re-entry time of six (6) hours after the service is complete.  On the exterior of the property once the chemical is dry the area is safe to walk on.  The service technician on site will explain any site-specific health & safety concerns at the time of the service.
Payment Information:	We require a credit card number at time of booking to hold your appointment.  We also accept cash, cheque, and interac-e-transfers at time of payment.
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
