

Program Information

Program Name:	Carpenter Ant (90) Day Program
Program Information:	<p><u>Exterior Treatment:</u> We will perform a liquid chemical application on the exterior of your residence. Carpenter ant nests are usually found in items in contact with soil such as wood piles, firewood, old stumps, and wooden retaining walls.</p> <p><u>Interior Treatment:</u> A crack and crevice liquid application will be done in the area where the carpenter ants are found e.g. window frame, door frame.</p> <p>If further service is required on the interior more aggressive techniques maybe used such as drilling holes in walls, removing drywall etc. to access the area more directly</p>
Program Cost:	<p>\$ 430.00 + GST Exterior Treatment</p> <p>\$ 725.00 + GST Exterior & Interior Treatment</p>
Additional Costs:	N/A
Program Term:	Ninety (90) Days.
Health & Safety:	<p>If a liquid application is required on the interior of the structure, there is a minimum re-entry time of six (6) hours after the service is complete.</p> <p>On the exterior of the property once the chemical is dry the area is safe to walk on.</p> <p>The service technician on site will explain any site specific health & safety concerns at the time of the service.</p>
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
