

Program Information

Program Name:	Rodent Control 90 Day Program
Program Information:	<p>We use tamper resistant bait stations which contain a commercial grade mouse poison. This will safely eliminate the mice from your residence. All labour and material are included.</p> <p>In addition, we inspect the exterior of the house. We inspect gas lines, taps, vents, and other fixtures as required at ground level. Anything that is loose we will re-caulk or re-anchor as required. Anything bigger than this we will bring it to your attention.</p>
Program Cost:	<p>\$ 410.00 + GST.</p> <p>*Structures >2500 sq ft may be subject to additional fees. Please check with your service technician prior to your service.</p>
Additional Costs:	<p>At the completion of your rodent program, it is highly recommended to have the stations checked on a regular basis, i.e. twice a year with the goal of staying pest free. We have a variety of rodent programs that you can choose from to meet your needs and budget.</p>
Program Term:	<p>We provide two (2) services thirty (30) days apart, all part of our ninety (90) day program.</p>
Health & Safety:	<p>All exterior stations are anchored into the ground. Where possible all interior mouse stations are placed out of view/reach of non target animals e.g. behind the stove, under sink, under the fireplace etc. It is important for all parties to understand that the chemical being used to eliminate the rodent infestation will harm and potentially be fatal to non target animals.</p>
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
Warranty/Limitations:	<p>We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.</p>
Cancellation:	<p>We require one business day notice, or the customer is subject to a cancellation fee of the full amount.</p>
