

Program Information

Program Name:	Small Fly Visual Inspection
Program Information:	<p>Our service technicians will visually inspect the structure for the source of small flies (fruit, moth/drain, phorid)</p> <p>Most small fly issues stem from poor sanitation. The service technician will advise the client on what sanitation and other options are available to solve or manage the small fly problem.</p>
Program Cost:	<p>\$ 250.00 + GST.</p> <p>*Structures >2500 sq ft may be subject to additional fees. Please check with your service technician prior to your service.</p>
Additional Costs:	<p>From time-to-time chemicals are used to solve/manage minor small fly problems. The average cost per can used is \$ 32.00 + GST.</p>
Program Term:	One time service.
Health & Safety:	The service technician on site will explain any site specific health & safety concerns at the time of the service.
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
