

Program Information

Program Name:	Squirrel Removal Program Clay Tile Roof
Program Information:	<p>Our service technicians will install a one-way door over an opening in the roof line. This will allow the Squirrels to exit, but not re-enter. Includes up to 2 squirrel one-way doors.</p> <p>Once the squirrels have left the structure, we will remove the one-way door and seal the hole permanently using hardware cloth. The focus is on sealing large holes at roof line joints the size of a fist or bigger. Anything smaller than this is outside the scope of this program.</p> <p>If no access point can be identified on the first service, gorilla tape will be used to seal off the holes. We will return approximately 3-5 days later to determine the entry point, install the squirrel one-way door.</p> <p>At approximately the thirty (30) day mark we will return, remove the squirrel one-way door and seal any remaining holes.</p>
Program Cost:	\$ 1,495.00 + GST.
Additional Costs:	<p>Additional squirrel one-way doors \$ 320.00 + GST each</p> <p>Holes outside of the area will be sealed at an additional cost determined by the service technician.</p>
Program Term:	Workmanship guaranteed for one year.
Health & Safety:	The service technician on site will explain any site specific health & safety concerns at the time of the service.
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
