

Program Information

Program Name:	Vent Cover
Program Information:	<p>Our service technician will clean out the vent and remove nesting materials and birds as far as we can reach from the exterior of the structure.</p> <p>Once complete we put everything back together again and install a vent guard. This will allow the vent to work as intended and will keep out a variety of wildlife from small birds to squirrels.</p>
Program Cost:	<p>\$ 220.00 + GST. < 20 ft from the ground</p> <p>\$ 375.00 + GST > 20 ft from the ground</p>
Additional Costs:	\$ 120.00 + GST for each additional vent cover.
Program Term:	Workmanship guaranteed for 12 months.
Additional Service:	If the nesting material is further back than we can reach from the exterior of the structure a different service is required where the vent needs to be assembled from the interior of the structure. The cost for this service is an additional \$ 220.00 + GST
Health & Safety:	It is highly recommended to visually inspect all dryer vents and clean as required on a yearly basis for lint build up. This is a serious fire hazard.
Payment Information:	<p>We require a credit card number at time of booking to hold your appointment.</p> <p>We also accept cash, cheque, and interac-e-transfers at time of payment.</p>
Warranty/Limitations:	We stand behind all our work. Should any problems arise within the timeframe of the program we will return for no extra charge, completely hassle-free.
Cancellation:	We require one business day notice, or the customer is subject to a cancellation fee of the full amount.
